Madurodam: Discover in a few hours what makes the Netherlands so special and unique

Madurodam shows you everything you need to know about the Netherlands in miniature form. This unique theme park contains beautiful miniature replicas of buildings such as the Anne Frank House, the Rijksmuseum, the Mauritshuis, the Vredespaleis (Peace Palace) and the Euromast, as well as windmills and a cheese market. Interesting facts about the Dutch are provided (in seven languages) via interactive displays. You can experience significant events from Dutch history and discover how the Delta Works flood protection system keeps the country dry.

A visit to Madurodam is an active excursion that involves lots of walking, especially if you want to take part in all the activities and experience all the attractions. Groups visiting Madurodam can rest their feet and enjoy a delicious snack or drink, a hot or cold lunch and dinner in the Taste of Holland restaurant or the Panorama Café.
